Mr. Brian Cottam, Director, Division of Forestry, Fire and State Lands, made a presentation about Utah's 2019 Fire Season.

Rep. Stratton asked if there was[a breakdown of the cost of federal managed and state managed lands. He also asked about how many total acres burned last year.

Mr. Cottam replied that last year's fire season was three times the normal acres and cost.

Mr. Cottam continued his presentation.

Rep. Christofferson asked what could be done to make FEMA money available to the state more quickly.

Mr. Cottam replied that FEMA has staff shortage at their Denver office and is not able to process the payments.

Rep. Perry asked how many people were caught starting fires and now many were being charged.

Mr. Cottam said that every fire is investigated and a cost recovery is pursued.

Mr. Cottam continued his presentation.

Rep. Lyman asked about the slippery slope of seeking damage recoveries.

Mr. Cottam responded that to proceed with cost recovery, there has to be evidence that the individual broke the law and that there was intent. He emphasized that there has been a lot of thought put into who will be prosecuted and cost recovery.

Mr. Cottam continued his presentation and talked about the forestry program.

Rep. Barlow asked about the assessment for the Tree City USA program.

Mr. Cottam explained that a city needs to do four things to be considered to be a Tree City USA: an assessment (about \$3 per resident), a tree board, a community tree plan, and celebrate Arbor Day.

Rep. Snider asked about appropriations and the division's long term plan.

Mr. Cottam addressed economic development.

Rep. Harrison asked Mr. Cottam to elaborate on how wood clearing has or has not changed through the years in regards to federal lands.

Mr. Cottam replied that it is a supply issue and a market issue.

Rep. Stratton commented that the root of the market is regulation.

Sen. Hinkins asked why Sevier Lake is not on the list.

Sen. Okerland commented that Sevier Lake is usually dry most of the year.

Sen. Hinkins asked who receives mineral resources from Sevier Lake.

Mr. Cottam replied that the federal government will receive the revenues from Sevier Lake.

Mr. Cottam continued with his presentation.

Chair Chew asked what criteria determines a restored area.

Mr. Cottam explained the criteria for a restored area.

Rep. Chistofferson asked about the phragmites problem in Utah.

Mr. Cottam commented on the good work that is being done to address the phragmites problem, but there is still a lot of work to be done.

Mr. Cottam continued with his presentation.

3 . Review of Agencies' Fee Data

[3-Review of Agencies' Fee Data, DNR, and SITLA](#)

Mr. Ivan Djambov presented the report.

Rep. Stratton asked for an explanation of the "no's" in the report.

Mr. Djambov provided an explanation.

Rep. Christofferson asked if the agencies that were present would comment on their fees' data.

A discussion followed on whether the agencies were prepared to present at this time or if this item should be placed on the agenda for the next meeting.

Rep. Christofferson proposed that the agencies report back in a month with a response to the report.

Rep. Lyman asked about the history of the report.

Rep. Christofferson responded.

Mr. John Basa, Director, Division of Oil, Gas, and Mining, responded.

Rep. Christofferson discussed fees with Mr. Basa.

Sen. Hinkins expressed his frustration with fees.

4 . Report on Performance Measures for New Funding, 2018 General Session

[4-Performance Measures over 20k evaluation Report](#)

Mr. Tim Dinehart, Financial Analyst, presented the report.

Chair Chew reflected back on the fee discussion and the need to have questions asked and answered by the agencies. He asked agencies to report back to the Fiscal Analyst's Office.

Rep. Stratton discussed fees with Sen. Hinkins and Mr. Djambov.

5 . Other Business

MOTION: Sen. Hinkins moved to adjourn. The motion passed with a vote of 13 - 0 - 6.
